ONLY FOUR NO-HIT GAMES THIS YEAR

And Two of these Were in the Virginia State League.

STILL HOLDS GREAT RECORD

Pitted Against Willis, the "Colonel" Didn't Allow a Hit.

In all the leagues of the United States this year there have been only four no-hit games pitched. It is rather singular that two of these games should happen in the Virginia League, and it goes to show that there is timber here for big league company. Willis, of the Roanoke club, pitched the first no-hit game in the State League, and Colonel Still, of the Richmond nine, did the same trick last Friday. And the Colonel was pitted against Willis, too. Not even anything that looked like a hit was secured off of Still's delivery. Twenty-nine men faced him, and only one ball got out of the diamond.

Willis is playing a great game of ball at third base. He has "found" his rim, and the way he is sending hot ones across the diamond is great for the fans. Willis has played every position on a team in the league, and recently he has been practicing throwing a curve.

"I will give twenty-five dollars out of my salary to win both of these games," said Manager Shaffer Saturday, just before he started in for the double-header. Fate was against him in the second game, and the visitors went away with it. But the Lawmakers were swinging to two of the three games played. This record will send them up the ladder.

Tommy Hamilton, the released Richmond player, who drove out a home run for Lynchburg while three men were on bases, was given a very nice purse by the Shoemaker fans. Tommy is playing third base, and is making good. He nevertheless made a costly error in Saturday's game.

In Raleigh, N. C., last week a crowd made up a purse for the members of the band there. When the hats were brought in and the money counted, it was found that \$13.13 had been collected. It was called a "hoo-doo amount," said a spectator, and he pitched in a dime, according to report. No one perhaps thought that the hoo-doo was increased with the additional dime. Thirteen dollars was unlucky enough, but to add to it twenty-three cents will make a mean kiddo for the band boys.

Roadkiss, in Roanoke, will get a try at Richmond this week, and the Lawmakers believe that they can land two of the three games. All of the pitchers were taken with the team. Salvo will likely open, and Still may pitch one of the games.

Mrs. Frank Still, wife of the "Colonel" from Kentucky, left last week for her home in Carlisle, Ky.

Umpire Danliff, writing to the sporting editor of The Times-Dispatch, says that he was not released, but just wanted to go back to the Hudson River League. Among other things he said, "I am the indicator, who did not give satisfaction here, is that he always has a job, and that Umpire 'Bill' Hoffman, who was here and who gave perfect satisfaction, was no good. Richmonders will stand for the assertion that Danliff always has a job, but as to Hoffman being bad as an umpire—well, the Richmond people have a mind of their own about this."

Two players are expected to join the Richmond team this week. One will be an outfielder, and is said to be a great batter.

Titman, who was released from the Richmond team and signed by Harry Knickerbocker, is leading his team in batting. In Saturday's game he was at bat four times and received three safe singles. Jack Anthony, who has been signed by Portsmouth, also is picking up in hitting.

Umpire Hilbrandt, the young man who was signed last week to handle the indicator, gave perfect satisfaction while here, and knows the game thoroughly. He left with the Lawmakers for Roanoke. Hilbrandt, who is a cock arm, but said that the report that he once batted with this in a State league was a mistake.

Shaffer played great ball in both of the games Saturday. He has gotten his batting eye back, and is lining them out in good style.

IMPRISONED GIRL ON ISLE OF PINES

Excitement Caused Among the American Residents by Drastic Action of Court.

(By Associated Press.)

HAVANA, July 16.—American residents of the Isle of Pines are excited over the imprisonment in the common jail at Nueva Gerona of Miss Millie Brown, nineteen years of age; L. O. Giltner, master of the town of Columbia, and William Augustine, all Americans, who were arrested for their own instruction and amusement, had constructed a toy telegraph line, 1,800 feet long, from Giltner's store to the residence of the other two. They were arrested without warning, charged with the violation of an old ordinance prohibiting other than government telegraph lines, tried by a newly-appointed judge and sentenced jointly to pay \$500 fine or to a joint term of imprisonment of 180 days. All refused to submit to the payment of the fine and were taken to jail to serve 33 days each. The jail has no accommodations for female prisoners.

The Cuban government has no report of the incident, which is reported by Americans who have arrived here from the Isle of Pines.
